

# January Clean Up

Trainings offered to you and your communities, through the month of January, by  
*Your Fully Certified PointClickCare® Implementation & Support Partner.*

***"Clutter is one of the greatest enemies of efficiency and stealers of time"***

~Don Aslett.

Which is why our HyMark Solutions team wants to help you get your EHR dashboards cleaned up. Our teams goal with these trainings is to help you de-clutter, get organized and feel confident and refreshed as we start this new year. These trainings differ each week and are only available for a limited amount of time. Don't miss out on the opportunity to get help from our fully certified specialists, they have a lot of services, solutions and support to offer you!

***These are our Clean Up trainings for the month***

- Clean Up: Order Portal
- Clean Up: Discharged w/Active Orders
- Clean Up: UDA Portal
- Clean Up: Weights & Vitals and Immunizations
- Clean Up: Discharged Records

**We look forward to connecting with you!**
